Z. ISLAM, *Subdivisional Officer, Communications and Works Department, Irrigation Branch, Rajshahi.*

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 16th June 1939.

Monthly Weather and Crop Report of Bengal for May 1939.

I. *Character of the season.*—During the month under review the rainfall was above the normal only in 5 districts of the province and below the average in the rest. The usual rainfall statement is appended.

II. *Progress of agricultural operations.*—In the beginning of the month want of rainfall somewhat interfered with the cultivation of autumn crops; subsequent rainfall, however, facilitated sowings generally.

III. *State of standing crops.*—At the outset the state of standing crops was not very favourable but the condition improved later on.

IV. *Prospect and probable outturns.*—The prospects of standing crops were, on the whole, fair.

V. *Damage to standing crops.*—Some damage to standing crops by drought was reported from places.

VI. *Condition of agricultural stock.*—The condition of live stock was, on the whole, fair. Sporadic cases of cattle-disease were, however, reported from 14 districts of the province and from the States of Cooch Behar and Tripura.

Note 1.—(*i*) When process of attachment mentioned in Article 3 is issued in a number of cases relating to the same or neighbouring villages, the fee (*a*) must be paid in each case, the daily fee (*b*) only for the men actually employed.

(*ii*) The daily fee (*b*) is to be paid at the time of obtaining the process for so many days as the court shall order, and the number of days required for the coming and going of the officer; but where the officer is not to be left in possession, then the daily fee is to be paid only for the time to be occupied by the officer going, effecting the attachment and returning:

Provided that, if it appears that for any reason the number of days fixed by the court under this note, and in respect of which fees have been paid, is likely to be exceeded, and the decree-holder desires to maintain the attachment, the decree-holder shall apply to the court to fix such further number of days as may be necessary and the additional fees in respect thereof shall be paid in advance according to the rate specified in Article 3(*b*) above. If such additional fees be not paid within the period in respect of which fees have already been paid before, the attachment shall cease on the expiry of the period.

(*iii*) When an application is made for the refund of custody fee, a report is to be called for from the Nazir showing the number of days spent for the coming and going of the officer, or when the officer was not left in possession, the time occupied by the officer going, effecting the attachment and returning. The balance of the custody fee, if any, after deducting the amount incurred as above, will be available for refund.

Note 2.—(*i*) The fee under clause (*a*) of Article 7 must be paid when the process is obtained.

(*ii*) The percentage or poundage fee under clause (*b*) of Article 7 must be paid in court-fee stamps by the auction-purchaser (decree-holder or other person) as soon as his bid is accepted by the court and the sale is completed.

(*iii*) The percentage leviable under clause (*b*) of Article 7 shall be calculated according to the following scale:—

One anna per Rupee ignoring fractions up to Rs. 8,
For sums over Rs. 8 and up to Rs. 37-8—8 annas,
For sums over Rs. 37-8 and up to Rs. 62-8—Re. 1,
For sums over Rs. 62-8 and up to Rs. 87-8—Re. 1-8,

and so on for the proceeds realized by the sale up to Rs. 987-8. For sums over Rs. 987-8 and up to Rs. 1,000 the fee shall be Rs. 20. If the proceeds of the sale exceed Rs. 1,000, a fee of Rs. 20 *plus* 4 annas for every Rs. 25 or part thereof of the amount in excess of Rs. 1,000 shall be levied.

(*iv*) In cases in which several properties are sold in satisfaction of one decree, only one poundage fee, calculated on the gross sale-proceeds, should be levied, 2 per cent. being charged on the gross sale-proceeds up to Rs. 1,000 and 1 per cent. on such proceeds exceeding Rs. 1,000.

Note 3.—For processes applied for and ordered to be executed as emergent, the fee will be the ordinary fee and half as much again.

Note 4.—Process-fees for the service of notices under section 167 of the Bengal Tenancy Act should be assessed in accordance with the scale prescribed by rule 680(*2*).

681. Notwithstanding rule 680, fees for processes in execution of any decree or order for recovery of money shall be charged, irrespective of the grade of the court issuing such processes and of the class or value of the original suit or case, according to the actual amount including costs and interest awarded, if any, recoverable in execution of the decree or order at the time when the execution is applied for; that is to say, if such amount is or exceeds Rs. 1,000 fees shall be charged under column 2 of table (2); if it be Rs. 50 and over but less than Rs. 1,000 they shall be charged under column 3 of table (2); and if it be less than Rs. 50 they shall be charged under column 4 of table (2).

Note.—In computing the amount recoverable at the time when the execution is applied for, the costs and interest allowed in a previous execution case, if any, shall also be taken into consideration.

682. Notwithstanding rule 680, no fee shall be chargeable for serving or executing—

(*1*) any process, such as a notice, rule, summons, or warrant of arrest, which may be issued by any court of its own motion, solely for the purpose of taking cognizance of and punishing any act done or words spoken in contempt of its authority or of taking action under sections 195 and 476 of the Criminal Procedure Code (1898);

(*2*) any process issued a second time in consequence of an adjournment made otherwise than at the instance of a party or an intervenor;

(*3*) any copy of summons, notice, order, proclamation or other process, posted in a court house or in the office of the Collector;

(*4*) any order intimating postponement of sale, withdrawal of attachment or directing restoration of attached property to the person in whose custody it was or its replacement where it was found at the time of seizure;

(*5*) any order directing an officer in charge of a jail to detain or to release a person committed to his custody.

683. (*1*) No fees shall be charged for fresh service or execution of processes in cases where the parties concerned are not in any way to blame for their being not served or executed.

(*2*) If in any such case the presiding officer of a court is satisfied upon such enquiry as he considers necessary that there was failure or want of service on account of neglect of duty or any improper conduct on the part of a process-serving peon, a fresh process should be issued, if required by the party, and the presiding officer should direct the peon in fault to bear the costs incurred in the fresh service.

* * * * * * *

685. (*1*) In the localities only where and for the periods during which travelling except by boat is in the opinion of the District Judge impracticable, the fees chargeable for the service of processes shall be increased by such percentage not exceeding 25 per cent. as may be necessary to cover the additional cost of boat-hire or ferry-toll for journey in watery areas. The percentage of surcharge over the fees ordinarily leviable should be reduced when the realisation of the higher amount is found to exceed the additional cost incurred.

Note 1.—If it is found that the total annual realisation of boat-hire exceeds the amount necessary to meet the cost of boat-hire in the course of the year, the discretion given him by this rule should be exercised by the District Judge by reducing the percentage of surcharge in such a way as to make the total annual realisation on account of boat-hire equal as nearly as possible to actual expenditure for that purpose. The percentage may be fixed at different rates for different areas according to local conditions and cost of boat-hire.

Boat-hire fees shall be entered in the appropriate column of Form No. (R)13 for the purpose of ascertaining whether the total annual realisation of boat-hire in court-fees covers the annual expenditure on account of boat-hire. (Rule No. 7 of 1921.)

Note 2.—The process-server's boat-hire passed under this rule should alone be included under the head of "Process-serving charges" under "Special contingencies" (*vide* Resolution of the Finance Department of the Government of Bengal, dated the 4th August 1890).

(*2*) The Judge in charge of the Nazarat at every station shall, in consultation with the presiding Judges of other courts, prepare a list of areas, localities or villages within the jurisdiction of the Nazarat where and for the periods of the year during which travelling except by boat is impracticable. Areas, localities or villages to which journey may be made without the necessity of boat shall be excluded from the list. A copy of the list when approved by the District Judge shall be sent by the Judge in charge to each court at the station and the Secretary of the local Bar Association in sufficient time before the advent of the period from which the surcharge is to be levied. The list should be altered or modified from time to time when the state of the country renders it necessary and all changes should be notified in the above manner.

(*3*) The fees leviable from the parties on account of boat-hire should be realised in court-fee stamps affixed on a separate sheet of paper containing the number, etc., of the case in which the fees are filed and the name, description and residence of the persons on whom the processes are to be served.

686. (*1*) In the localities which are not for the time being subject to rule 685, when, in order to the service of any process, the peon has to cross a ferry, then the amount, if any, legally exigible as toll shall be paid by the court executing such process from its permanent advance.

(*2*) The permanent advance mentioned in this rule is the special permanent advance sanctioned by the Local Government for the purpose of the rules.

687. In cases in which the process is to be served in the jurisdiction of another court, the proper fee chargeable under rule 680 read with rule 685 shall be levied, in the manner above directed, and a note shall be made on the process stating that this has been done. A court which receives from another court, whether in the same province or not, a process bearing a certificate that the proper fee has been levied, shall cause it to be served without further charge.

Note 1.—The fees paid in pursuance of these rules must in all proceedings be deemed and treated as part of the necessary and proper costs of the party who pays them.

Note 2.—By arrangement between the Government of India and His Exalted Highness the Nizam of Hyderabad, civil processes for service or execution within His Exalted Highness's territories will be issued and served in accordance with the above rule.

Processes issued by civil courts in His Exalted Highness the Nizam's territories will be served or executed in the Bengal Presidency and in Assam free of charge.

Note 3.—As regards the service of process and execution of decrees in the Chittagong Hill Tracts, see rules 74 and 268.

Note 4.—Processes issued by courts in India for service in Mauritius must be accompanied by a remittance sufficient to meet the cost of service. A sum of Rs. 32 is considered likely to cover such cost.

In the case of a summons intended for service on a person in Mauritius, the procedure indicated in rule 25, Order 5 of the Code of Civil Procedure, should be adopted whenever possible in preference to effecting service through the Mauritius Government.

Conditions.

(1) The officer holding the auction is not bound to accept the highest or any offer for any lot. The sale of any lot, the value of which exceeds Rs. 5,000, shall not be complete until confirmed by the Conservator of Forests, Bengal.

(2) If the officer holding the auction accepts any offer for any lot or lots, the purchaser who has made the accepted offer shall immediately deposit an earnest money in currency notes amounting to 15 per cent. of the bid, provided that the Divisional Forest Officer may, at his discretion, accept a minimum of Rs. 100 as adequate earnest money to cover the acceptance of any number of offers by one purchaser. The earnest money will be retained as part of the security when the sale is confirmed.

(3) A security of 15 per cent. of the purchase money must be deposited by the purchaser within fifteen days of the confirmation of sale.

(4) Purchasers will be required to sign aggreements in the printed form for outright sales (a copy of which may be seen at the Divisional Forest Office, the Chittagong Forest Depot or at any Range office).

(e) No timber shall be extracted unless paid for in full and duly salemarked. No extraction may be started until the security has been deposited, the agreement signed and the first instalment paid. Felling may start immediately after the security has been paid in full.

The lot or lots so affected shall be resold by public auction or by sealed tender at the discretion of the Divisional Forest Officer, and the purchaser shall be liable for any loss, short of his bid, on such resale.

3. *Definition.*—In these Rules—

(a) "Act" means the Indian Tariff Act, 1934 (XXXII of 1934);

(b) "British Colony" means any country specified in the First Schedule;

(c) "expenditure on material" means the cost to the manufacturer of the material at the factory or works, including containers but excluding royalties;

(d) "factory or works cost" means the cost of production to the manufacturer at the factory or works and shall include the value of containers and other forms of interior packing ordinarily sold with the article when it is sold retail, but shall not include the manufacturer's or exporter's profit or the cost of exterior packing carriage to port and other charges incidental to the export of the article subsequent to its manufacture; and

(e) "United Kingdom" means the United Kingdom of Great Britain and Northern Ireland.

4. No article shall be deemed to be the produce or manufacture of the United Kingdom or a British Colony unless the Customs Collector is satisfied—

5. Articles of a description specified in the first column of the Third Schedule which have been consigned from the United Kingdom but are in other respects eligible under rule 4 to be deemed to be the produce or manufacture of a country specified in the corresponding entry in the second column thereof shall be deemed to be the produce or manufacture of that country notwithstanding the fact that they were not consigned therefrom.

6. *Customs House procedure for goods entered for home consumption.*—If the owner of any goods entered for home consumption claims that they are chargeable with a preferential rate of duty, but is unable at the time of entry to satisfy the Customs Collector that the goods fulfil the conditions laid down in rule 4 or rule 4 read with rule 5, as the case may be, the Customs Collector—

(b) such claim is made by the owner at any time before delivery of the goods is taken.

(2) If the owner of the goods is unable to satisfy the Customs Collector that the goods fulfil the conditions laid down in rule 4 or rule 4 read with rule 5, the Customs Collector shall proceed in the manner prescribed in rule 6.

8. *Customs House procedure for goods entered for warehousing.*—(1) If the owner of any goods entered for warehousing claims that they are chargeable with a preferential rate of duty, but is unable at the time of entry to satisfy the Customs Collector that the goods fulfil the conditions laid down in rule 4 or rule 4 read with rule 5, as the case may be, the Customs Collector shall assess duty at the standard rate.

3. The purchaser whose offer is accepted by the officer holding the sale must deposit earnest money of 10 per cent. of his offer for each lot and in the event of the sale being confirmed the earnest money will be retained against the security deposit. If two or more lots be taken by the same purchaser, the Divisional Forest Officer may relax this condition in such individual case and to such an extent as he deems fit, subject to the proviso that in any case the minimum earnest money payable is Rs. 300 or 10 per cent. whichever is less. In the event of the sale not being confirmed, the earnest money will be returned.

4. Security deposit of 10 per cent. of the purchase price will be demanded within 10 days of the sale if paid in cash. If paid in any other form permissible under Government rules the deposit must be 10 per cent. of the purchase-price. In the event of the security deposit being less than Rs. 300, the difference between the security and earnest money will be credited towards the first instalment.

5. Failure to complete the payment of security deposit by the prescribed date will render the purchaser liable to the forfeiture of his earnest money and failure to execute the agreement within one month of receiving the same will render the purchaser liable to the forfeiture of the security deposit.

6. The lot or lots so affected shall be resold by public auction at the discretion of the Divisional Forest Officer, and the purchaser shall be liable for any loss to Government on such resale.

7. Purchasers will be required to execute agreements in the printed form for outright sales (copies of which may be seen in the Divisional Forest Offices, Jalpaiguri, Buxa, Kurseong, Kalimpong and Darjeeling).

8. The following are among the conditions of the agreements for "Dry Coupes":—

(*a*) Felling and extraction to be completed by 31st December 1940.

(*b*) The purchase-price to be paid in five approximately equal instalments on or before—

1st instalment	1st October 1939.
2nd instalment	1st January 1940.
3rd instalment	1st April 1940.
4th instalment	1st August 1940.
5th instalment	1st November 1940.

9. The following are among the conditions of the agreements for "Thinning Coupes" and "Cyclone damaged Coupes":—

(a) Felling and extraction to be completed by 31st December 1940.

(b) The purchase-price to be paid in five approximately equal instalments on or before—

1st instalment	1st October 1939.
2nd instalment	1st January 1940.
3rd instalment	1st April 1940.
4th instalment	1st August 1940.
5th instalment	1st November 1940.

10. The following are among the conditions for "Clear Felling Coupes":—

(a) Felling and extraction to be completed by 31st March 1940 and on no grounds can an extension be given after that date.

(b) The purchase price to be paid in three approximately equal instalments on or before—

1st instalment	1st October 1939.
2nd instalment	1st January 1940.
3rd instalment	1st March 1940.

11. All marked trees must be felled and all green sal trees must be barked.

12. All tops of trees must ordinarily be removed from Clear Felling Coupes by the 31st March 1940. A purchaser may, however, notify the Range Officer concerned on or before the 31st October 1939 that he does not wish to remove the tops. The Range Officer will then arrange local sale at cart load or stacked firewood rates and credit the proceeds to Government.

13. No timber shall be sawn in the forest unless salemarked before sawing, except in Clear Felling Coupes.

14. Advance sale mark may be given up to 80 per cent. of the value of passed sleepers and logs in cases where delay in final payment is anticipated.

15. No timber may be removed from any coupe unless paid for in full and duly salemarked.

16. Claims for shortage of trees or any discrepancy in species or measurements will be considered up to two months from the date of confirmation of sale.

17. Under no circumstances will the security deposit be credited towards the last instalment.

18. The security will be released only after completion of stump checking and after all dues are fully settled.

19. Purchasers of the lots shown in the annexed Schedule must supply the Forest Department the number or quantity of passed logs or sleepers or both, as the case may be, at the current prices and within the prescribed dates as detailed in the Schedule. These logs and sleepers will be the first charge on the outturn of the respective lots. In the event of the failure of the purchaser to supply the whole or any part of the total quantity of sal logs or sleepers or both as aforesaid on the dates mentioned in the Schedule it shall be lawful for the Divisional Forest Officer to secure the whole or the deficit quantity of sal logs and/or sleepers from other sources and any loss incurred by the Divisional Forest Officer in so doing shall be recoverable from the purchaser.

Should any further orders, in addition to those shown in the annexed Schedule, be allotted to coupes, contractors will be notified before the auction.

Jalpaiguri, the 6th June 1939.

Divisional Forest Officer, Jalpaiguri Division.

STATEMENT OF OBJECTS AND REASONS.

1. In Bengal, generally speaking, marketing of the products of agriculture is liable and subject to the following, among other, disadvantages, defects, malpractices and irregularities:—

(*i*) "Tricks of the trade", such as adulteration and mixing of produce, are practised;

(*ii*) Market charges and allowances levied by owners and dealers are multiform and often excessive;

(*iii*) Scales, weights and measures are dissimilar, and thereby afford scope and opportunity for cheating and sharp practice;

(*iv*) Existing markets are deficient in communication, accommodation, shelter and sanitation;

(*v*) Reliable information as to prices, etc., is sometimes not easy to obtain;

(*vi*) Unjustified and illegal discounts and deductions are current;

(*vii*) Hangers-on of the market, casual irresponsible interlopers and rakers-off, servants of the owners of the market, functionaries, dealers, beggars, touts and market employees levy toll of various kinds, defined and undefined, to the victimization of the cultivator;

(*viii*) The system of commission selling is defective, as for example, allowing commission agents to operate both for the buyer and the seller;

(*ix*) Brokers are apt to favour the buyer at the expense of the grower;

(*x*) Malpractices are common, e.g., wrong weighment, undue deductions in weight, stoppage of delivery for complaint or bargaining when half a cart is unloaded;

(*xi*) Produce is subject to no standard and the dealer has to chance the quality of the produce he buys and the possibility of adulteration. Prices, therefore, rule low and the result is that the producer, who is the cultivator, often does not receive a reasonable value, while the consumer pays a high price for an inferior article.

2. The Royal Commission on Agriculture (Chapter XI, page 387) estimated the margins of middlemen in jute as follows:—

"The margins of the various middlemen are estimated as from two to six annas per maund of jute for the faria according to the season, four annas to one rupee for the bepari and four annas for the aratdar. The margin of the baling firms from which they have to meet the cost of handling and storing as well as that of freight to Calcutta and Insurance is placed at Re. 1-6-0. The difference between the price received by the cultivator and the price paid by the jute mill or the exporter is thus estimated at from Rs. 2 to Rs. 2-8-0 per maund, which represents twenty per cent. of the total price".

3. The result is that commodity values are lost in service costs. Agricultural produce costs more to distribute than to produce. The middlemen absorb too much of the profits, so that the farmer, being preoccupied with the middlemen, has little thought for the consumer or for the quality of his goods.

4. The Royal Commission on Agriculture (Report, page 395) examined the question whether regulated markets should be established under *ad hoc* legislation or under bye-laws framed under the Municipalities Act or the District Boards Act, and came to the conclusion that special legislation was advisable giving weighty reasons in support of their conclusion. In brief, bye-laws of local bodies have not up to now been adequately enforced.

5. This Bill therefore makes provision in Bengal (outside Calcutta) for regulated markets for agricultural produce.

6. The main objects of the Bill are—

(*a*) to register all markets, fairs and hats;

(*b*) to regulate the scale of market charges with a view to uniformity and reduction;

(*c*) to control trade practices;

(*d*) to ensure uniformity of scales, weights and measures;

(*e*) to improve the conditions of markets by providing better shelter, water and sanitary arrangements for men, beasts and produce;

(*f*) to keep the cultivator well posted in regard to prices;

(*g*) generally to ensure that the cultivator-producer receives a fair deal, a fair price and the whole of the market price *minus* reasonable market charges;

(*h*) to protect the purchaser and the public (the cultivator is not himself guiltless of malpractices);

(*i*) to encourage the cultivator to improve the quality of his produce and thus remove the existing suspicion attaching to Indian raw material in foreign markets; and

(*j*) to eliminate malpractices, such as wrong weighments, undue deductions in weight, price reduction by going back on the original terms of the bargain, etc.

7. The means by which it is proposed to achieve the above objects is the setting up of Market Committees (mainly elected and representing all interests) for particular markets to regulate and control the marketing of agricultural produce by a system of licenses of operators in the market.

8. The provisions of the Bill should enable and secure, in course of time, the establishment of regulated markets for agricultural produce throughout the province.
